

## GCSE Post Result Services - Fees & Deadlines Summer 2024

### Review of Results (ROR) & Access To Scripts (ATS)

The Awarding Bodies offer the following Review of Results (ROR) services. Candidate consent is required for all the services listed below.

#### ROR Service 1 (Clerical re-check)

This is a re-check of all clerical procedures leading to the issue of a result.

#### ROR Service 2 (Post results review of marking)

This is a post results review of the original marking to ensure that the agreed mark scheme has been applied correctly.

The service is available for externally assessed components of a modular, unitised or linear specification.

#### Priority Access To Scripts (PATS)

This service allows you to view your script before deciding on a review (always seek advice from your subject teacher before a review - they have access to mark schemes).

#### Access To Scripts (ATS)

This service is to request your script to be returned to you/school.
