Welcome

Dear Applicants,

Welcome to St Mary's School. We have been educating girls from Colchester and the surrounding areas since 1908 and as such have built a very strong reputation within our local community. Throughout this time the school has grown in size and is now located on two sites. The Senior School is close to the town centre whilst the Lower School and Kindergarten enjoy a more rural location.

St Mary's is a happy and thriving school and we are proud of each and every one of our pupils. We are proud of our diverse student population and we are passionate to create a team of staff reflective of this diversity.

The Senior Leadership Team at St Mary's is small and the positive and collective vision of the team has ensured the success of the school.

This is a truly exciting time for prospective candidates who are looking to further their careers in a dynamic learning community.

If you believe that you can rise to the broad and challenging expectations of the role and you have a genuine desire to work in an environment that has the needs of its students at heart, we look forward to hearing from you.

NICOLA GRIFFITHS

Principal

The school

St Mary's is an Independent day school in Colchester, Essex for girls age 3-16 and boys age 3-4.

Our vision is to empower girls to thrive at school and beyond.

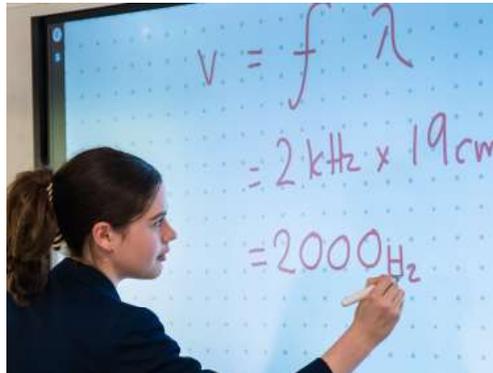

The Lower School was ranked 12th highest performing Preparatory Schools in England by the Sunday Times last year. Many girls achieve scholarships to senior school and we have an impressive 11+ pass rate for those who choose to sit the exam. At the Senior School, excellent GCSE results are achieved each year. We're able to achieve such success by tailoring the education to suit the needs of each individual in our small classes and by giving the girls the encouragement and support they need to aim high.

We are strong believers that success in life comes from more than just impressive exam results. At St Mary's we offer a brilliantly balanced education in order to develop exceptionally well-rounded individuals. With a huge variety of clubs, enrichment activities, music and drama productions, visits and international travel experiences on offer, there's ample opportunity to learn new skills and develop talents. There are numerous positions of responsibility available to the girls which help develop their leadership skills, and we foster team spirit through initiatives such as the School Council and School Houses.

For young people to thrive we firmly believe they must feel confident, relaxed and secure. Every child is known and understood and the girls feel comfortable challenging themselves and asking questions.

We believe in instilling the values of respect and courtesy, and through our charity and outreach work the students develop a strong sense of community. We are a leading Eco School and the students get a strong sense of caring for the environment as a result. As a global member of the Round Square Organisation, those who attend St Mary's benefit from our international links, which helps to broaden their horizons.

In this positive environment our young people develop the strength of character and the self-belief they need to make the very most of the life that lies ahead.
