Data Protection Privacy Notice (Recruitment)

Welcome to the St Mary's School (Colchester) Limited's ("**St Mary's Colchester**") recruitment privacy notice for prospective employees of St Mary's Colchester.

St Mary's Colchester respects your privacy and is committed to protecting your personal data. This privacy notice informs applicants to the school as to how we look after your personal data when you apply for a vacancy at the school and tells you about your privacy rights and how the law protects you.

This notice explains what personal data (information) we will hold about you, how we collect it, and how we will use and may share information about you during the application process. It applies to all individuals applying for a position at the School, including positions as a member of staff (full time or part time), contractors, workers, governors, volunteers and peripatetic staff. It also applies to individuals we will contact in order to find out more about our job applicants, including referees, or those that are provided by job applicants as an emergency contact.

You are being sent a copy of this privacy notice because you are applying to work with us (whether as an employee, worker, or contractor). We are required to notify you of this information under data protection legislation. Please ensure that you read this notice (sometimes referred to as a 'privacy notice') and any other similar notice we may provide to you from time to time when we collect or process personal information about you.

- Used lawfully, fairly and in a transparent way.
- Collected only for valid purposes that we have clearly explained to you and not used in a way that is incompatible with those purposes.
- Relevant to the purposes we have told you about and limited only to those purposes.
- Accurate and kept up to date.
- Kept only as long as necessary for the purposes we have told you about.
- Kept safely and securely.

3. About the Information we collect and hold

The table in Part 1 of the Schedule below summarises the information we collect and hold, up to and including the shortlisting stage of the recruitment process, how and why we do so, how we use it and with whom it may be shared.

The table in Part 2 of the Schedule below summarises the additional information we collect before making a final decision to recruit, i.e., before making an offer of employment unconditional, how and why we do so, how we use it and with whom it may be shared.

We seek to ensure that our information collection and processing is always proportionate and necessary for specific legitimate purposes. We will notify you of any changes to information we collect or to the purposes for which we collect and process it.

4. Where Information may be held

Information may be held on school premises in our filing systems and on our servers. It may also be held on our behalf by third party agencies, service providers and representatives.

5. How long we keep your Information

We keep the personal information that we obtain about you during the recruitment process for no longer than is necessary for the purposes for which it is processed. How long we keep your information will depend on whether your application, or the application you are supporting (e.g., as a referee) is successful and you (the job applicant) become employed by us, the nature of the information concerned and the purposes for which it is processed.

We will keep recruitment information (including interview notes) for no longer than is reasonable, taking into account the limitation periods for potential claims such as race or sex discrimination (as extended to take account of early conciliation), after which they will be destroyed. This is likely to be for six months from the communication of the outcome of the recruitment exercise which takes account of both the time limit to bring claims and for claims to be received by the School. If there is a lawful reason for keeping recruitment records for longer than the recruitment period, we may do so but will first consider whether the records can be pseudonymised, and the longer period for which they will be kept.

If you are an applicant and your application is successful and you join the School, we will keep only the recruitment information that is necessary in relation to your employment. For further information, see the Privacy Notice for Employees, Workers and Contractors.

If we wish to retain your personal information on file, on the basis that a further opportunity may arise in future and we may wish to consider you for that, we will write to you separately, seeking your explicit consent to retain your personal information for a fixed period on that basis.

Further details on our approach to information retention and destruction are available in our GDPR & Data Protection Policy.
